A.Arul

Aspiring Web developer with Strong Customer Service Background

Objective

To secure a challenging entry-level web developer position where I can leverage my skills in React, Tailwind CSS, and API integration to contribute to dynamic projects and enhance my technical proficiency.

Education

Arignar Anna Govt Arts & Science College, Villupuram—
BCA

Jun 2017 - Oct 2020

CGPA: 7.6

Achievements: Graduated with First Class with Distinction

Projects

Pharmacy website — *Vite+React JS ,Tailwind CSS , API's-Axios,Imgbb Email js-*greenplus-pharmacy.netlify.app

An online pharmacy platform where users can order medications by uploading prescription images via imgbb API and book doctor appointments, with all information and confirmations sent to the admin via EmailJS API.

Portfolio–*React JS ,Tailwind CSS-*akarul-portfolio.netlify.app

Built a responsive portfolio with React, Tailwind CSS, smooth scrolling (AOS), and Lottie animations. Features sections for introduction, about me, projects, and a contact form using EmailJS API for direct email submissions. Clean, modern design optimized for performance and user experience, showcasing skills and projects effectively.

Posts App — *React JS ,Tailwind CSS & Axios API & JSON place holder*

Developed a React-based social media app utilizing Tailwind CSS for a sleek, responsive design. Integrated Axios API for seamless data fetching and real-time updates, ensuring efficient backend communication. Implemented CRUD functionality, allowing users to add, delete, and edit posts, enhancing interactivity and engagement.

Experience

Deccan I Services Pvt Ltd, Villupuram— *Financial Processor*

Mar 2021 - PRESENT

Data Entry Specialist: Entered data into various systems and databases, ensuring accuracy and completeness. Conducted quality checks on data to ensure precision.

Auditor: Supervised and managed a team of data entry specialists. Provided training, guidance, and support to ensure team efficiency and accuracy.
